BARIUM SPRINGS, N. C., SEPTEMBER 1941

Welcome To Synod

(1) One of a group of four cottages, constituting the high school village for boys. The quadrangle was erected at the Presbyterian Orphans' Home at Barium Springs this spring and summer with four $10,000.00 gifts given by the North Carolina Synodical and private parties.

(2) Some of the girls who live at Howard Cottage at Barium Springs and who are generally known as the "bean-stringers." This particular scene shows them shelling butter beans. They have been busy recently stringing beans for the meeting of the Synod of North Carolina this week.

(3) Girls at the Baby Cottage making up their beds after a two-hour rest in the afternoon. The Baby Cottage boys also make up their beds in the morning and after rest hour.

(4) The Sherrill Printing Office and Shoe Shop, constructed this spring with a gift from Franklin Avery Sherrill, Statesville, in memory of his wife, Jennie White Sherrill. This was the fifth building erected in the semi-centennial year of the Presbyterian Orphans' Home.

(5) Jos. B. Johnston, superintendent of the Home, and (6) Rev. T. C. Cook, pastor of Little Joe's Presbyterian Church, who will this week be hosts to the North Carolina Synod at its 128th stated session beginning at Barium Springs on Tuesday night. Mr. Johnston has headed the Home since July, 1922, and Mr. Cook has been pastor since February, 1938.

Cottages In Which the Children Live At Barium Springs

Visitors to the Synod of North Carolina at Barium Springs, clothing people and the public in general are interested in the cottages in which the members of the Barium family live. To give them this information, there is published below a complete roster of all cottages at Barium Springs and the children who reside in them:

Welcome to Members of Synod of North Carolina

Maybe we should start this greeting off by simply saying welcome neighbors, and we want you to move in and make yourselves as comfortable as though you were our nearby neighbors.

Everybody at Barium Springs has been busy for quite sometime in getting ready for you. The buildings and repairs had to be hurried through so that we could appear calm and complacent when you arrived. It was no small job!

The beans, potatoes and all the other things that you will eat here were planted several months ago, with the thought that part of the crop at least would adorn the table when you arrived. The pigs, the lambs and the calves that will help sustain you while you are here have been wearing a dreamy look against the day when they would "enter the ministry"!

All of this is for the one single purpose that you may be comfortable and well cared for while you are our guests. Every person at Barium Springs has had that as their chief de-

Estimate Is Made of the Food Needs Here for Six Meals

The Synod of North Carolina will be at Barium Springs for six meals. Miss Bonnie Mae Long, who is in charge of the kitchen, has conformed to a request of officials and estimated the amount of food that will be consumed by the ministers, the elders and the Barium family from Tuesday night until noon Thursday. (Attention is called to the fact that these estimates do not include the food

sire since the time it was announced that you had accepted the invitation to meet with us this year. We want your stay here to be one that you will remember.

We celebrate our fiftieth birthday! This occasion is truly a great milestone in our existence. We want it ever to be a bright spot in your memory.

We have tried not to overlook anything but we know we have overlooked many things. Don't hesitate to tell us your needs, let us run your errands, let us make you happy!

Many people outside of Barium have contributed to make your stay here comfortable and pleasant. It delights us to feel that people enjoy joining with us in doing you honor.

News from Some of the Cottages at Barium

BABY COTTAGE.
Second Floor.

Here we are again bringing you our monthly news.

On Monday, Mrs. Pat Johnson from Mooresville brought us some new shades for our playroom. We wish to thank her for them. We also wish to thank Circle 3 of Mooresville First for the pretty curtains and play things they sent us for our playroom.

The other day we went down to the football field to watch the boys practice football. Shirley Johnson saw the boys' helmets laying on the ground and she told Mama O'Kelly to "Look at those little piggies out there".

Since we wrote you last we have had a little new girl to come live with us. Her name is Patsy Dean and she is two years old.

School has started again and we are all going either to kindergarten or in the first grade. Most of us like to go but of course some of us don't.

Mrs. Robert Mills and babies spent a week with us this month. We certainly did enjoy their visit and we hope they will be back soon.

Louise and Barbara Bradshaw, Helen Barnes, Lois Dellinger and Janie Smith have had visits from their people this month. We wish more people would come to see us. The door is open and all you have to do is just walk right in.

We will have our first football game here Friday. We will play Morganton and we hope to win.

Mama O'Kelly's youngest son, Charles, is spending the week with us before he goes back to college. We hope he is enjoying his stay.

—The Babies.

RUMPLE HALL

These are the dishwashers coming to you from station R. H. G. When we aren't washing dishes we are going to school and vice versa.

We sure have been having peaches all summer and plenty of grapes. We are beginning on pears and apples but one thing we wanted so bad we didn't have was watermelons.

Our matron is taking her weekend but we are glad to have Miss Mary Neel with us.

Everybody is all a-flutter about the Synod of North Carolina coming. We all sure will enjoy having them. We always like to have visitors.

All of the boys are happy about their new homes.

We went to see Gene Autry in "Under Fiesta Skies", last Saturday. It was real good, thanks to Mr. Johnston.

We had one girl to go home to stay. We miss her very much. Her name is Mattie Pearl Denson. She lives in Durham.

Your reporter,
Helen Hawley.

LEE'S COTTAGE.

School days are here again, and we are all very busy with our study, work and play.

There are six of us in the third grade, six in the fourth, and nine in the fifth. There is a lot of home work being done in the evenings, and we all are trying to make the honor roll.

Circle number six of the First Presbyterian Church in Mooresville has adopted our cottage. They are being very good to us. Each month they bring many papers and magazines that we can enjoy. They helped make it possible for us to get a new football. A few weeks ago they came to see us one afternoon and brought a picnic supper. We all went down to the spring and had a lot of fun together.

We have started our fall football practice. Everyone in our cottage is going out. We hope to make the team some day.

J. D. Everett has taken over the job of kitchen boy. Herbert Good is the mail boy now. All of the rest of us are truck farmers, except a few who are "House Cats".

Our cottage was repaired this summer and we think it is very nice.

Kenneth and Edward Walker, and Charles Campbell are new members of our family. We like them very much and hope they will be just as happy as we are.

We are counting the days until Synod comes to be with us.

BABY COTTAGE.
First Floor.

Once again we are attempting to bring you the babies' news.

Since you heard from us our school has started. Four of our little boys go to school, and the rest of us go to kindergarten.

We are glad to have Jimmy and Donnie Campbell, and Donald Dean to come and live with us.

We surely have been in luck this year because we have been having so many grapes, peaches and apples. They surely are good.

We have had quite a number of visitors in the past two weeks. We do enjoy having them.

Our matron, Mrs. Southerland, is in Davidson for two or three weeks and Mrs. Minnie Massey is our matron while she is absent. We surely enjoy having her.

—Baby Cottage Boys.

INFIRMARY.

Since we wrote you, vacations are over and school has started.

We are glad to have our teachers back on the campus. We have a few new teachers. We hope we can make them feel at home.

Our nurse, Mrs. McNatt, has been away for a short vacation, but we are glad to have her back. While she was away, we were glad to have Mrs. O'Kelly.

We have had quite a few new children since we wrote you. They are as follows: Hazel, Edward, and Gene Walker; Larry, Patsy and Donald Dean; Majorie, Bobby, and Archie McMannen; and Wilma, Charles, Louise, Donnie and Jimmy Campbell. We are very glad to have them and hope they will enjoy living with us.

The Synod will meet here, September 23rd, 24th, and 25th. We hope they will have a pleasant time while they are here.

Football season has started this year and our first game will be with Morganton on September 19th.

We have very few sick this month.

—Elaine Faircloth.
—Beulah Baldwin.
—Martha Price.

SYNOD'S.

Since we wrote you we have three little new boys. Their names are Bobby McMannen, Archie McMannen and Larry Dean, and we surely are glad to have them to come and live with us at Synod's Cottage.

School has started and most of us are glad, but we surely do miss going in swimming these hot days.

Our matron, Miss Taylor, has come back from her vacation and we were all glad to see her, all rested up and ready to start back to work.

We have our first football game here the 19th of September and we can hardly wait until the day comes.

Margaret Presnell, the girl that did work over here, has gone to the Woman's Building and Dewey Bell Buie is working over here in her place. We are glad to have her.

—The Wigglers.

HOWARD.

This is Howard Cottage girls back with you again.

Since school has started we thought there would be no more beans to string. Boy, we sure have had the beans this week.

We beanstringers have had to put our bathing suits up. In their places we are looking forward to wearing snow suits.

This week we have been so excited, because we have been measured for our winter clothing boxes. When the clothing boxes start coming in we know it won't be long before Christmas then. We just can't wait.

We are very glad to have three new girls with us. Joyce Katon, Vivian Jacumin, and Hazel Walker.

It is time for all the college students to start back to school. We hope they will have a grand and successful year. We have enjoyed having them with us this summer.

Just think the 19th of this month is our first football game. Who's going to win? You just wait and see.

We are all glad to have Synod's meeting here and we would like for all to come to see us. Visitors make us so happy.

This month the following girls have had visitors: Gwendolyn Landrum, her mother; Frances Rhyne and Mary Ruth Gregory, their sisters; Mable Pearson, her sister; and Virginia Presnell.

Our matron, Miss Burgess, has had the following visitors: Mrs. Blanche Burgess, Randolph Burgess, Mrs. and Mrs. S. D. Hudspeth, Jr., Mr. and Mrs. C. S. DeLoach and Charles, Jr., all of Conway, N. C., and Miss Susie Rucker, Mr. and Mrs. Lea Shull and Mr. and Mrs. Grady Bridges, all of Kannapolis.

We were all very sorry to hear that Mr. Cook's father had died.

—The Beanstringers.

ANNIE LOUISE.

This is the Annie Louise girls back on the news reel again.

Since we wrote our news last month, we have two more girls who have come to live with us: Betty McMannen, who came from Durham, and Annie Louise Campbell from Cooleemee. We now have twenty-nine small girls at Annie Louise Cottage and one big girl.

Clara Mangum went to visit Mrs. Brawley in Mooresville and had a simply grand time.

All of our girls but ten attended the last camp which was for the real campers - the ones who had not been on a vacation.

On August 11th, Circle number five from Mooresville First Church had their first meeting up here and they served delicious refreshments which we all enjoyed very much.

Football season is now at hand and our boys are practicing hard, so as to win as many games as they can this year.

School has opened and we are all glad.

We all want to welcome the teachers especially those who are going to teach here for the first time.

Your little friends,
The Annie Louise Girls.

Heartfelt sympathy goes out to Rev. Thomas C. Cook and his family in the death of Mr. Cook's father, Rev. James Ellsworth Cook, who died in a Statesville hospital on Sept. 5th following a critical illness of over two weeks. He was visiting his son, who is pastor of Little Joe's Church here, at the time that he was stricken.

WOMAN'S BUILDING.

Well, school has started at last, and everyone is going back to their books and studies, with a smile on their faces.

Our boys are practicing up for our game the 19th of September with Morganton. It's the opening of our football season.

Miss Clark and the senior girls are giving a party in honor of the faculty. The senior boys were also invited.

The Synod is going to met here next week. They are going to sleep in our building Tuesday and Wednesday nights.

We get out of school Wednesday and Thursday of next week, to do our part in entertaining Synod.

The apple orchard behind our cottage is giving us some beautiful apples.

We are glad to have Wilma Campbell, from Cooleemee, to live with us. Make yourself at home, Wilma!

We have had our kitchen painted, and a new cold storage installed. They look perfectly grand.

We have three new teachers for this year. One for the second grade, Home Economics, and English. Their name are respectively: Miss Mary McGoogan of St. Pauls, Miss Anne Gaitley of Red Springs, and Mr. Homer Keever.

Goodbye now, 'til next month.

—Mae Allen Barrett.
—Ann McDonald.

Final Donors Announced

Two Sisters, Miss Nancy Wallace and Mrs. Mary Borden Lee, Are Revealed As the Donors of Sum for One of the New Cottages

Commitment for $10,000.00 Gift Was Made In January of 1940.— Building Given in Memory of Their Father and Mother, Mary Borden and Oliver Terrell Wallace, of Wilmington

Miss Nancy Wallace, of New York, and Mrs. Mary Borden Lee, of Winston-Salem, sisters who were natives of Wilmington, have been revealed by Jos. B. Johnston, superintendent of the Presbyterian Orphans' Home, to be heretofore unrevealed donors of $10,000.00 for one of the four cottages of a quadrangle constructed at Barium Springs this spring and summer. These two sisters gave the building in memory of their father and mother, Mary Borden and Oliver Terrell Wallace, of Wilmington.

A commitment for the $10,000.00 was made by the then Misses Mary Borden and Nancy Wallace in January of 1940, but their identity was not revealed at the time, permission having recently been given to make public their names as donors. Both were residing in New York in 1939-1940, where Miss Nancy Wallace was doing welfare work and where Miss Mary Borden Wallace was studying at Union Theological Seminary for her master of arts degree in sacred music.

Since then, Miss Mary Borden Wallace was married to E. Lawrence Lee, Jr., of Wilmington and New York, and Mr. and Mrs. Lee are now residents of Winston-Salem. Miss Nancy Wallace resided in Concord last winter but is soon returning to New York to continue her welfare work.

The late Oliver Terrell Wallace was originally from Kentucky, but for many years was a real estate broker in Wilmington before his death. Mrs. Wallace was Miss Mary Borden, of Wilmington, before her marriage and resided in that city during her lifetime. The structure given in their memory will be known as the Wallace Cottage.

Another one of the quadrangle is known as the Cannon Cottage, being the gift of Mrs. Adelaide Cannon Blair, of Washington, D. C., in memory of her father and mother, the late Mr. and Mrs. J. W. Cannon, of Concord. A third one is known as the Stultz Cottage and was given by W. Z. Stultz, of Charlotte, who is a deacon in the Myers Park Presbyterian Church. The fourth unit was a contribution of the ladies of the North Carolina Synodical, which body has not yet decided upon a name for this cottage.

These four cottages and the Sherrill Printing Office and Shoe Shop building were all built in the semi-centennial year of the Presbyterian Orphans' Home. The Sherrill building was given by Franklin Avery Sherrill, of Statesville, in memory of his wife, Jennie White Sherrill.

Synod Has Shown A Five-Month Increase

Gain of $1,151.73 Noted On August 31.—Average Has Been 15.3 Cents Per Person

August's income at Barium Springs from the North Carolina Synod showed another slight gain. The income over the August, 1940, giving was $221.69, for a five-month increase of $1,151.73. It is gratifying that this gain could be noted, and because of the larger giving to date, it is believed here that this is indicative of other increases in the remaining seven months of the year. Every bit of the increase possible is going to be most helpful, for private individuals are fully acquainted with the decided upswing in prices recently. There is a family of over 300 that must be taken care of at Barium Springs.

Synod's average in August was three cents per person. For five months, the 91,309 Presbyterians of North Carolina have averaged 15.3 cents per member, which figures out for a total of $13,752.09 arriving from Synod in that span of time. Since Synod is in the expected budget income for $95,000.00, it means that over $81,000.00 is to be contributed in the last seven months of the year. The trend of meagre receipts in the larger portion of a church period is a prevailing one, with the situation slightly better because of the increase noted above.

For the first time in 1941-1942, the new memberships, as recounted in the 1941 minutes of the General Assembly, were used in ascertaining the average for each Presbytery. There was a net gain of 404 Presbyterians in the 530-odd churches during 1940-1941. Gains of 432 were made in Orange; 175 in Fayetteville; 98 in Winston-Salem; 75 in Albemarle and 62 in Concord Presbytery. Declines of 188 occurred in Granville; 163 in Mecklenburg and 114 in Wilmington. These new membership changes were so slight that there was no appreciable shakeup in the usual order of the Presbyteries in their per capita ratings.

Here is how the Presbyteries "stood" at the end of the fifth month:

Presbytery	August Receipts Regular	Am't Rec'd. Per Mem.	Total Per Mem. for Year
Winston-Salem	$296.89	5.5c	21.7c
Mecklenburg	701.51	3.3c	20.1c
Concord	630.94*	4.9c	16.9c
Kings Mountain	174.96	2.8c	16.5c
Albemarle	147.76	3 c	16 c
Orange	258.15**	1.8c	13.5c
Fayetteville	339.27	2.5c	10.6c
Wilmington	144.01	1.7c	9.9c
Granville	75.37	1.1c	9.1c
Synod	$2,770.86	3 c	15.3c

* Includes $5.00 Thanksgving Offering.
** Includes $20.00 Thanksgiving Offering.

Of the $13,727.09 regular income ($25.00 of Thanksgiving Offering was sent in during August), the Sunday Schools were responsible for $6,332.84, or 46.1% of the total; Church budgets had sent $4,955.00, or 36.1%; and 17.8%, or $2,439.25, came from the Auxiliaries. Detail on this regular giving will be found below:

Presbytery	Ch.	S.S.	Aux.
Albemarle	$117.32	$ 333.26	$ 333.84
Concord	805.41	1,030.43	341.21
Fayetteville	349.35	946.63	166.79
Granville	102.48	256.63	236.85
Kings Mountain	81.18	755.12	195.55

Six People Wanted to Furnish Last Bedroom

As An Alternative, Sleeping Porch Assignments Were Given to Four of Them

The August copy of the Barium Messenger was mailed out on Friday and in last month's issue it was stated that one bedroom remained to be assigned for a $100.00 contribution. At noon the day after the paper was issued a telephone call was received from Mrs. Gettys Guille, of Salisbury, saying that she wanted that bedroom in memory of her uncle, Mr. Theodore B. Brown. The assignment was made.

On the following Monday a lady walked into the office and announced, "I want that last bedroom." She was told it was taken. On the Wednesday morning's mail came a $100.00 check for the bedroom and Wednesday afternoon's mail brought another $100.00 check for the same bedroom. Later a person called up by long distance and another wrote and said that if the room was not assigned, they wanted it. Thus, a grand total of six people each wanted to give $100.00 to Barium Springs to complete the furnishings for 28 bedrooms and four living rooms in the new cottages.

Four of these five people to whom the room could not be assigned have said that they would permit the Home to use their $100.00 gifts for the sleeping porches, for that sum will take care of the majority of beds that will be placed on them.

Miss Ella Graham, of Route 3, Laurinburg, was the donor of one $100.00 sum; Mrs. R. E. Bobbitt, of Sanford, sent $100.00 in memory of her mother, Cornelia Shore McLeod; Mrs. Adelaide Cannon Blair, of Washington, D. C., gave $100.00 in memory of J. W. Cannon, Jr., of Charlotte; and the party giving the other $100.00 requested that the name not be used.

Doorplates for all but a few of the rooms and sleeping porches are already at Barium Springs and all other bronze plates are expected to reach here soon. An effort was made to have all of these at Barium by the time Synod met, and they might arrive and be placed at the last minute.

Hearty thanks go to all of those who made possible these furnishings and every gift that has been made - an aggregate of $4,000.00 - came voluntarily and without solicitation on the part of the authorities at Barium Springs.

From the hearty and generous response that has been made, it is to be regretted, in a way, that available rooms have given out. However, there are some windows in Little Joe's Church that could be acceptably given as memorials. Three were given this spring, but there are eight other windows in the church. Not all of these would have scenes in them, but they could still be in the form of memorials without these.

Estimate Is Made of the Food

(Continued From Page One)

necessary for the family and the Home Mission conference that starts on Monday afternoon.) Here is the food lineup for those six meals:

12 cured hams.
25 lambs for one meal.
600 pounds of pork.
One-half of a cow.
200 pounds of bacon.
960 eggs.
30 pounds of coffee.
100 pounds of butter.
400 gallons of milk.
10,500 rolls.
400 loaves of bread.
12 bushels of Irish potatoes.
6 bushels of sweet potatoes.
8 bushels of tomatoes.
5 bushels of green beans.
75 pounds grits.
3 bushels of Lima beans.
15 gallons green peas.
6 gallons of tomato catsup.
12 gallons peach butter.
12 gallons of apple sauce.
35 gallons of ice cream for one meal.
2 large galvanized tubs of cake batter.
700 cookies with ice cream.
6 gallons chocolate syrup.
6 bushels baked apples.

An innumerable quantity of raw apples and gallons of tomato juice.

Most of the above foods, with the exception of staples that cannot be grown in this climate, have been raised at Barium Springs.

"Which travels faster—heat or cold?"

"Heat, because you can catch cold easily."

Teacher was testing the observation powers of her class. Slapping a half dollar on the desk, she asked, "What is it?"

Came an instant reply from the back row: "Tails."

32 Page History of Barium Off the Press

Copies Given to Members of Synod.—Will Be Used as Auxiliary Program

A 32-page illustrated history of the Presbyterian Orphans' Home at Barium Springs is now off the press and each commissioner to the Synod of North Carolina is being given a copy as a souvenir of the 50th anniversary of the Home and of the 128th stated session of the North Carolina Synod. Absentee ministers will be sent a copy, and every local Orphanage Secretary will later receive it for use as the fall program on Barium Springs in the Auxiliary.

The front cover of the history is a photograph of the central memorial window given to the Home this spring and shows "Christ Blessing Little Children". The center spread of the book is a photograph of a map of the "heart" of Barium Springs, with miniature pictures of the buildings superimposed at the proper points according to the way these are arranged on the central part of the campus.

Throughout the book are 28 other pictures, with insets upon some of them. Pictures were obtained of the four superintendents of the 50-year existence of the Home - Rev. R. W. Boyd, Rev. John Wakefield, Rev. W. T. Walker, and Mr. Jos. B. Johnston. There is an interior view of the church, with an inset of the present pastor, Rev. T. C. Cook.

Except for a picture of Rumple Hall and one of the new cottages as contrasts, little attention was devoted to the buildings at Barium Springs. The only other photo of a building nature was an interior view of one of the living rooms in the new cottages. The other pictures deal entirely with the children and their daily lives here.

Weaved in and out among these pictures is the historical sketch of the Home, with emphasis again being place upon the human side of it. Sections deal with the establishment of it and the years in which the buildings were constructed. Other sections are topically headed, "The Superintendents," "Little Joe's Church," "The Children at Barium," "Acceptance of Children," "Financial," "The Girls' Work," "Tasks Performed by the Boys," "Church Life at Barium," "The Schools," "The Health of the Children," "Recreation," "Book on Departments Recommended," and the final section on "The Word 'Home' Is Emphasized."

On the final page are the names of the ministers, elders and ladies who have played an important part in the life of the Home through having served as members of the Board of Regents since the beginning in 1891. On one page is the official form to be used when individuals place the Home in their last wills and testaments and on another will be found some of the future building needs.

No great amount of time is ever available for the presentation of the Home in the Auxiliaries prior to the Thanksgiving season, but it is suggested that the book be used as a study course in whatever time is allowed. Possibly a list of pertinent questions will be sent to the secretaries to be asked their individual members after a study is made of it.

Ten thousand of these histories have been printed, it being the plan to use these in the future for the new Orphanage Secretaries that are elected from time to time so that they might become familiar with the Home which they are advocating before their organizations. A booklet on the 12 departments at Barium Springs will also be sent all secretaries who have assumed their posts for the first time in 1941-1942.

An English lord, who had just arrived from England, was talking to an American Boy Scout. "My grandfather," he said, "was a very great man. One day Queen Victoria touched his shoulder with a sword and made him a lord."

"Aw, that's nothin," the Boy Scout replied. "One day Red Wing, an Indian, touched my grandfather on the head with a tomahawk and made him an angel."

—P. O. H.—

Grover—Martha, dearest, I'm burning with love for you.

Martha—Come, now, Grover, don't make a fuel of yourself.

—P. O. H.—

Asked the meaning of the term, "dressed lumber," a western Kansas editor replied, "Charley McCarthy."

As Usual, It Rained on Home-Coming Day

First Summer-Time Home-Coming Termed a Success—Will Be Continued

The first summer-time Home-Coming for alumni of the Presbyterian Orphans' Home was held at Barium Springs on August 28th and like almost every other Home-Coming of the past decade, it rained. Officials had thought that they would confuse Jupiter Pluvius by having an August affair in addition to the one each fall, thinking that they might have Home-Coming one time minus a downpour. The weather, though, conformed to the usual schedule.

From the standpoint of numbers, the Home-Coming was not as large as the fall trek to the local campus, but from the viewpoint of enjoying the place once occupied as a home by the visitors, it was an unusually successful day. The event attracted some alumni who had been unable to visit Barium Springs for the past 10 years and who would also be unable to attend a later affair with their small children. Without any speech-making and any scheduled event, the former boys and girls went from cottage to cottage and renewed friendship with matrons, teachers and other workers at Barium Springs.

Some of the alumni arrived early and left about mid-afternoon; others came in mid-afternoon, stayed for supper and left afterward. They were going and coming at will and a welcome was theirs whenever they arrived.

It is the consensus of opinion that something has been started at Barium Springs that will be continued in the future, for those in attendence were heartily in favor of this summer affair and expected to write their classmates and friends to meet them here next August.

Mr. Jackins: "My shaving brush is very stiff. I wonder what's wrong with it."

Mrs. Jackins: "I don't know. It was nice and soft when I painted the bird cage yesterday."

—P. O. H.—

Mr. Keever: "I went. That's wrong, isn't it?"

Jim S.: "Yes sir."

Mr. Keever: "Why is it wrong?"

Jim S.: "Because you ain't went yet."

—P. O. H.—

Good News

Mrs. Myers' Bible Class in the Greensboro First Sunday School has joined the ever-increasing number of Classes following some regular and systematic plan of helping in the month-by-month support of the Presbyterian Orphans' Home at Barium Springs. While no definite statement has ever been made by the class, yet $5.00 monthly sums have been arriving, and this is an innovation among that group. A cordial welcome goes to this class for the adoption of this. The Men's Bible Class at Greensboro First gives an offering each month and the Young Men's Bible Class there has Barium Springs in its budget for a $100.00 annual appropriation - all of which has been sent to the Home for 1941-1942.

From the Adult Woman's Class of the Graham Sunday School came a recent special $15.00 sum, with the statement that $10.00 more was to be sent this year. That's another Class that has included Barium Springs in its 1941-1942 budget. These newcomers contributing to the regular support fund are helping in the daily operation of the Home.

It seems appropriate here to announce that Sunday Schools gave $423.56 more in the first five months of this year than in 1940-1941. Looks as if the Sunday Schools are heading toward another new all time peak in their regular donations to Barium Springs. If that happens it will be extraordinary good news next spring.
